# BLENDER FEATURES

From the sleek curves of the exclusive 72-ounce glass pitcher to the unique stainless steel ice-crushing blade design, the Jenn-Air Attrezzi™ blender\* is infused with the passion and tradition of Italy. The solid, all-metal base is available in pearlescent white, pearlescent black, satin platinum, stainless steel and antique copper.

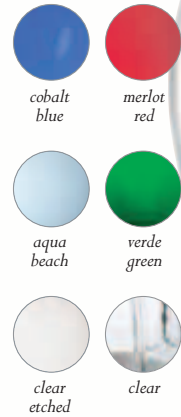

ADDITIONAL FEATURES NOT SHOWN:
Long-life, high-efficiency motor
Momentary pulse action
Interchangeable power cord detaches for storage
Durable, easy-to-clean surface
1-year hassle-free replacement warranty

## BLEND AND SERVE DESIGN™

Designed with entertaining in mind, the large-capacity 72-ounce pitcher is beautiful enough to go directly from the countertop to the serving table.

72-OUNCE GLASS PITCHER  
The bulb shape and unique design of the large 72-ounce pitcher\* offers breakthrough blending capabilities. The pitcher's wider bottom accommodates a larger blade for improved roll-over, increased fluid movement and superior blending\*.

Shown: Clear pitcher with pearlescent white base.

## 5-SPEED ELECTRONIC GLASS TOUCH CONTROLS

Easy-to-use and easy-to-clean touch controls, featuring a range of five powerful speeds and cobalt backlight, are configured in a sleek glass touch panel.

## UNIQUE STAINLESS STEEL ICE-CRUSHING BLADE DESIGN

Crushing ice has never been easier. The high-stress, oversized stainless steel blades complement the unique pitcher shape to easily blend the toughest ingredients.

## BLENDER FINISHES

Available in a selection of fashionable finishes to complement any decor:

## LOCKING SAFETY BASE

A simple quarter turn securely locks the pitcher onto the base for safe, no-mess operation.
